

THE SYSTEM vs. THE SAVIOR

THEME FOR MARCH: ATONEMENT

Scripture: Leviticus 16:1-34 (NIV)

Ice Breaker

What's something people try to cover up instead of actually fixing?

Goal

Understand the Old Testament system of atonement and see how Jesus fulfills and completes what the system could never fully accomplish.

The System

- Sin is serious – sin separates people from God and carries consequences.
- Forgiveness requires sacrifice – blood had to be shed for atonement.
- A mediator is needed – the high priest stood between God and the people.

The Savior

- Jesus fully deals with sin (John 1:29; Hebrews 9:26).
- Jesus is the perfect sacrifice, offered once for all (Hebrews 10:10-12).
- Jesus is the perfect High Priest and mediator (1 Timothy 2:5; Hebrews 4:14-16).

Close

The system pointed to the solution.

The Savior became the solution.
